**Landing page with my work and about me.**

[WWW.ROBERTZHUKOV.GITHUB.IO](https://www.robertzhukov.github.io)

- Responsive landing page for all devices using Bootstrap and Flexbox;
- Error page 404. Adaptive to all devices error page for the "STROKES" project;
- Preloader. Branded preloader for the "STROKES". Implemented with SVG animation and JavaScript Adaptive.

II WILL BE GLAD TO BECOME A PART OF THE  
TEAM OF A STRONG AND PROMISING COMPANY!
